Present: Elisabeth Max-Theurer (AUT), Andrzej Salacki (POL), Daniel Karpiński (POL), Orsolya Hillier (HUN), Mgr. Lenka Sekanivoá (SVK), Frank Spadinger (HUN).

Elisabeth Max-Theurer welcomes everybody, opens the meeting and thanks the Czech host for the hospitality.

In the last meeting, Inge Braun has offered to design a logo for the CED Working Group and it was presented in the meeting. The logo finds the approval of all participants and Frank Spadinger will contact Mrs. Braun that the rights of the Logo will be transferred to the Working Group. The Working group decides to organize a flag with the logo (same size as FEI) and banners that can be used at the various events. Mrs Elisabeth Max-Theurer offers to sponsor the flags and banner.

In the discussion, Working Group versus Club the question was asked if it is necessary to nominate a president and vice presidents. Both president and vice president would only apply if a club is founded. Currently the working group has no funds therefore does not need a budget and it was agreed that it is right now not necessary to found a club.

It is important that the CED is recognized not only by the EEF but also has the support of each member NF. The members are ask to send a supporting letter from the NF in which they are nominated as members.

A scribes program will be introduce to give the various OC's the possibility to choose from experience scribes. The profile of the scribe is discussed and the minimum criteria is define: English and interested in the discipline dressage. At each event of the CED a schooling of 2h will be organized. The scribes will be offered by the OC travel costs and boarding. Frank Spadinger will send an email to Harald Müller to inquire if the FEI has funds to cover some of the cost of this program. In addition we will ask Thomas Baur to organize a weekend to school "E-scribes"

As an essential key to a successful event the show office/score is identified by the Working Group. The different standards, services and cost are discussed. Orsoly Hiller will make an inquiry about this and will report in the next meeting.

Again the necessity to have more 5* judges that come from the member NF's of the Working Group is stated. In the upcoming years a great number of 5* judges will retire and it will be even

more difficult to find one. For each organizer in the region it is important to have the possibility to choose from a bigger pool and not to be dependent on overseas 5* judges.

The three different options of promoting the sport through events were discussed

- CDIO in all different age categories and ponies. Here it would be important to include individual riders in the Nation Cup to avoid having two different competitions with the same test and split the number of participants. Teams of three riders and up to two individual riders per nation. This would have to be clarified with the FEI if the current rules allow it and if not the NF's have to ask for a rule change.
- A series of CDI's with a regional Final
- A regional Championship with all age categories and ponies.

Most of the events are not listed in the FEI calendar yet and the OC's are asked to apply as soon as possible. The FEI deadline is the end of September 2017.

For 2018 the members of the CED have decided to produce a Calendar with 2-3 photos (Mariakalnok, Brno, Achleiten, Samorin?, Zakrzow) of each event. Daniel Karpiński (daniel@kjlewada.pl, +48606831838) will be responsible to get an offer (100 calendar) and will coordinate the production. The various OC's are asked to send the photos of their choice to Daniel Karpiński. Each country will be able to display a Sponsor Logo and the Logo of the National Federation, altogether 10 Logos.

The issue about the East European World Cup League was brought up again. Daniel Karpiński made a proposal that the CED will send to the EEF and each NF can send forward to the FEI. The aim is that only one Qualifier per Country counts and that a Ranking System for the Region is established (only points for countries of the East European League).

The date for the next meeting is the 4th of September 2017 and it will take place in Austria.
