MEETING PROTOCOL

Elisabeth Max-Theurer welcomes the participants and thanks them for their time. She informed that Ms. Alice Schwab has retired, so her position will be taken over by Angelika Sparer. Ms. Sparer is unfortunately unable to take part at the meeting today, so Ms. Schupfer took over the minutes for today's meeting. Alice Schwab's work is highly praised and thanked. There should be flowers and a diploma to say goodbye. A photo of Ms. Sparer is needed to be put online (http://cedwg.eu/about_us/). Ms. Sparer should provide this.

Ms. Max-Theurer gives the floor to Mr. Karpinski, who informs about the important points for the CED meeting today.

CDI Samorin - who from CED is going to this event?

There will be a few of the CED members there, so they will maybe make a short meeting there.

CED Young Horses Championship - Pilisjaszfalu 2023

Young Horses Championship for CED countries
Each FN should be able to send two horses, no matter what breed. The decision on this is made by the respective FN. The important thing is that it is fair for everyone!
Communication, information and contact with the local breeders is important here.

Signing of the memorandum between CED and EEF

Memorandum of Understanding EEF/CED

SMT again points out our strength and is looking forward to go on

5 Arenas Cup 2023

The tests counting to the Cup will be held during the CDI competition in:

- Mariakalnok (HUN) 25-28.05.2023
- Brno (CZE) 01-04.06.2023
- Achleiten (AUT) 15-18.06.2023
- Šamorín (SVK) 24-27.08.2023
- Wrocław (POL) – final – 27-29.10.2023

Mr. Karpinski asks about banners. It would be good. He would have the opportunity for a banner at Euro 50,-; Banners could be bought here for all five stations – But attention, it is the size to consider! These banners might be too big for some. If desired, he can send everyone the exact information, then everyone can look at it and get in touch with him if want to.

Eva Maria Vint Warmington told that there will be a similar project as 5 Arenas Cup at her Region. They already did a national format called Baltic League.

Participating at that are: Sweden, Denmark, Norway, Finland, Estonia, Latvia and Lithuania

Donau Bohemia Trophy 2023

DBT was held all the last years under the patronage and supervision of the national equestrian federations of the five host countries (Austria, Hungary, Poland, Slovakia and the Czech Republic).

Unfortunately, Ilya Vietor, who is responsible for this trophy, says that it will not be held in 2023.

Riders would generally be interested in the DBT. But in fact there are very, very many international events where the riders could also start. So the riders often decide naturally for the closest events. Even if the DBT would tempt the riders with lower cost than a CDI....

Mrs. Max Theurer thanks again all participants and urges to do it together for the sport!
Happy Easter days to everyone!
